Please Help Fill Our Pantry

The Free Pantry, created by the youth of St. George, is a tremendous success!

Providing essentials for members of our community who might otherwise go without, there are some items for which there is a need: feminine products, full length socks,

Vienna sausages, hand wipes, bottles of water, cans of soup, packets or cans of tuna, and any non-perishable food items.

Please bring items to church on Sundays and place in the collection bins. Thank you so much!

For the past 10 years, Reverend Bonnie Malone has provided skilled leadership and loving care to all the members of St. George.

While many other churches have the help of assistant priests, deacons, and full time staff, we do not. Successfully maintaining this church and growing our body of believers has been due to the dedication of Bonnie, and the ever faithful people of St. George, who work tirelessly to create a home for us all.

Thank you, Bonnie, for your courage, your laughter, your resilience & your love.
